

**ACTION TAKEN REPORT BASED ON FEEDBACK**

<b>STUDENT</b>	<b>ACTION TAKEN REPORT</b>
Curriculum should include language /communication skill enrichment programme	As a remedial measure elective courses, software training, soft skill training and internship (Barclays') that provide wide exposure to student and increase their employability. Teachers and students to be encouraged to undertake MOOC offered courses across all available platforms.
<b>ALUMINI</b>	<b>ACTION TAKEN REPORT</b>
Go towards more digital platform. Industry based courses, better internship infrastructure and more student based team that will help them better hands on experience	Whatsapp group share formed. Google classroom is being practiced.
<b>EMPLOYER</b>	<b>ACTION TAKEN REPORT</b>
Enhance Technical Skill Set	Along with theory, more practical work experience oriented simulation or approach must be adopted.
<b>PARENT</b>	<b>ACTION TAKEN REPORT</b>
Personal guidance and counseling is required once in month. Take more practice for mathematics	Department conduct interactive session to guide student about placement, higher studies and entrepreneurship. Extra classes are taken
