SHREE RAMCHANDRA COLLEGE OF ENGINEERING
Lonikand, Pune – 412216
Department of Electrical Engineering

Ref:SRCOE/EE/2023-24/Event-02

Date:- 25/03/2024

**Event Report on International Conference on Advance
Technology and Adoption Methods in Science Engineering**

**Title of Event: International Conference on Technology and Adoption Methods in
Science Engineering (ICATAMSE2024)**

- **Date:** 22-03-2024 to 23-03-2024 **Time:** 09:00am to 04:00pm
- **Platform Name of Event:** offline Mode (SRCOE)
- **Name of Organizer:** Electrical Engg. Dept. (SRCOE).
- **Name of key Note-Speaker:** Mr. M. K. Roy
- **Name of Session chairperson:** Prof. Pragati Korde , Prof.Dr. Shaik abdu waheed

➤ **Participant : Participants (Including 06 Faculty)- $164+6 = 170$**

➤ **Objectives:**

- The main objective of this conference is to provide forum for the researchers, eminent academicians, research scholar and students to exchange ideas, to communicate and discuss research findings and new advances in mathematical sciences.
- The conference would also enable participants to explore possible avenues to foster academic and student exchange, as well as scientific activities within India.
- The conference will give opportunity to both academicians as well as research scientists to communicate and discuss mathematical problems and their applications for industry sector.

About SRCOE

"Shree Ramchandra College of Engineering" (SRCOE) was established in the academic year 2011-2012 under the aegis of "Shree Ramchandra Education Society", Pune, with a clear objective of providing technical education, with high standards.

The college is recognized by AICTE, New Delhi and DTE, MSBTE, Govt. of Maharashtra and is affiliated to Savitribai Phule Pune University, Pune. The college has obtained the permission to run four years engineering degree courses in Mechanical, Civil, Computer, and Electrical, E & TC Engg. The college provides excellent academic and socio-economical environment to the students. The college has developed state of art infrastructure, comprising of well equipped laboratories, a resourceful library with sufficient number of reference, text and hand books, excellent class rooms, adequate parking space, sport facilities and hygienic cafeteria etc. The facilities create conducive environment for teaching-learning process. The college has appointed well qualified, experienced (academic and industrial), result oriented teaching faculties, supporting staff and administrative staff who are committed and devoted, which helps for the overall growth and development of the student and college.

Aim of Conference

ICATAMSE-2024 is premier platform for the participants from the academia, industry/PG students, Research organizations to present new advanced and research results in the respective fields.

The role of ICATAMSE-2024 is to provide scientific and engineering community, with resources dedicated to publishing high quality technical articles. For publishing top-notch technical articles, this platform contributes to the body of knowledge in different disciplines, serving as a valuable resource for researchers, students, and professionals seeking to stay updated with the latest trends and developments in their respective fields.

Conference Scope

Aeronautical Engineering, Aerospace Engineering, Agricultural Engineering, Architecture and Planning, Audio Engineering, Automotive Engineering, Biological & Bio-system Engineering, Biochemical & Biomedical Engineering, Chemical Engineering, Chemical Engineering, Civil Engineering, Computer Engineering, Electrical Engineering, Electro-mechanical system Engineering, Electronics Engineering, Engineering Chemistry, Food Engineering, Forensic Engineering, Forestry Engineering, Gas Engineering, Geological Engineering, Geomatics Engineering, Integrated Engineering, Manufacturing Engineering, Marine Engineering, Mechanical Engineering, Mineral & Metallurgical Engineering, Mining Engineering, Ocean Engineering, Oil Engineering, Petroleum Engineering, Artificial Intelligent System, Big Data Management, Communication and wireless, Neural Networks, Biomedical Instrumentations, Cloud and Distributed Computing, Communication Protocol, Control Systems, Cognitive Computing, Embedded System and Wireless Communication, Deregulation in Power System, Data Mining and Ware housing, Fading Channel EMI & EMC, Grid Computing, Filtering Techniques, FACTS and Renewable Energy, Intelligent Computing, Image Processing, Fuzzy Logic, Instrumentation in Special Machines, Internet of Things, Noise Reduction, Linear and Non Linear Control, Mobile and Sensor Computing, Optical Microwave Communications, Micro Machine Safety, Quantum Information Theory, Power Quality, Network Security, Agriculture and Forestry, Applied Science, Astronomy Science, Biotechnology, Biochemistry, Biological Sciences, Botany, Chemistry, Computer Science, Earth Sciences, Food Science, Geology, Health Science, Medical Sciences, Mathematics, Measurement Science, Medical Biochemistry, Military Sciences, Natural Sciences, Philosophy, Physics,

International Conference On Advanced Technology and Adoption Methods in Science and Engineering (ICATAMSE-2024)

ISBN:978-81-969383-0-7

Author Acknowledgement

Authors will receive a notification via email regarding the acceptance of their paper, along with the necessary bank details for the online registration process.

Journals

The conference proceedings will include all accepted papers, which will also be published in the International Journal of Technology Engineering Arts and Mathematics Science (IJTEAMS).

Registration Fees

Students / Research Scholar	1500 INR /Paper
Academician and Industry Professional	2000 INR /Paper
Foreign Author	100 USD / Paper
Non Author Participation / Listener	1000 INR/Candidate

Important Date

Last date of full length paper submission	1 st March -2024
Notification of acceptance	5 th March -2024
Camera ready paper submission	10 th March -2024
Last date of Registration	15 th March -2024

to principal.srcoe

Sat, 23 Mar 2024 12:00 PM

Subject: Exclusive invitation to be a keynote speaker 2nd ICATAMSE-2024.

Dear Mr. **Mahesh Kumar Roy**

Greetings from 2nd ICATAMSE-2024!!

On behalf of our organizing team, we are glad to invite you to be a member in *keynote speaker* for 2nd ICATAMSE-2024 (International Conference on advance Technology and adoption Methods in science and Engineering), which is to be held on 23rd -30th March 2024 in Shree Ramchandra College of Engineering, Pune, India. Your experience, thoughts and opinions are greatly valued for uplifting our conference into high standards.

Regards,
Prof.V.M.Venkateswa Rao
Secretary ICATAMSE-2024
2nd ICATAMSE-Pune,India.

Conclusion Remark:

The Conference is dedicated to discussing issues, exchanging of ideas and views towards the Advancement of theory and practices in the field of science & technology. It also provides an Opportunity to participants to upgrade their knowledge in context of global field.
